NVIDIA Foundation
Grant Scoring Document

Committee Member Name:

Organization Name:

To begin:
1. Make sure all of the necessary pieces are included: application, budgets, etc.
2. Review the charities web site (if applicable) to check for message consistency with the materials submitted.
Items 3 and 4 are for the lead reviewer of this proposal:
3. Use www.charitynavigator.com to review the organization's track record. Also, Google the organization and scan the search results to see if there has been any negative press about the organization.
4. If the organization sent the proposal directly and it mentions an employee's name, please email the employee and ask the following: *"XYZ organization has submitted a request for funding and they have referenced your name. Can you please tell me about your level of involvement with this organization and if you would recommend that they receive funding from the NVIDIA Foundation."*

Please paste the employee's response into this document.

Criteria	Evaluation 1 = Low	Notes
